\_\_\_\_\_, Engineer.

### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained. Water is granted herein for 280 acres of land only, that being the maximum amount described by legal subdivisions.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two & 8/10 cubic feet per second. (2.8)

Actual construction work shall begin on or before July 19, 1917.

Proof of commencement of work shall be filed before August 19, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before July 19, 1918.

Application of water to beneficial use shall be made on or before January 19, 1923. Proof of the application of water to beneficial use must be filed with State Engineer on or before February 19, 1923.

*Proof of labor filed* DEC 13 1917

WITNESS MY HAND AND SEAL this 19th, day

*Proof of completion of work filed* JUN 25 1918

*Map filed* DEC 21 1918

of February, 1917.

Cancelled Dec. 28, 1923 because of failure of applicant to comply with provisions of permit.
